

Money Exchange Game

Materials: Pennies and nickels

Objective: Move the nickels to the pennies' squares and the pennies to the nickels' squares.

Rules:

1. Move only one coin at a time.
2. Nickels must always move to the right and pennies must always move to the left.
3. A coin can slide to an empty square next to it.
4. A nickel can jump a penny or a penny can jump a nickel if:
 - it jumps a coin next to it, and
 - it lands on an empty space
